

For nearly 25 years, the Annual South Carolina Charter Schools Conference has been a premier destination for exceptional training, professional development, and networking. This year, join over 100 schools, authorizers, newly approved planning groups, and both state and national charter leaders. Your sponsorship at the highest levels not only enhances your visibility but also supports scholarships for planning groups and the successful development of new schools. We are excited to host this year's conference at the beautiful oceanfront Hilton Myrtle Beach Resort.
