

2024 SC CHARTER SCHOOLS KNOW BEFORE CONFERENCE YOU GO!!

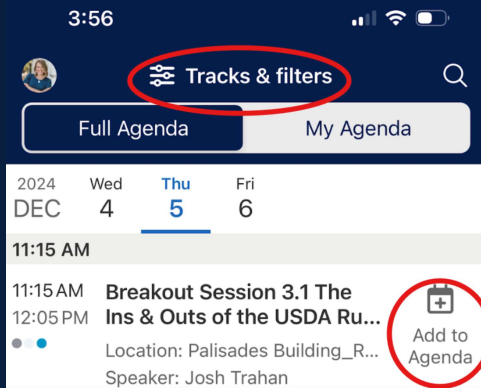

We are just days away from the 2024 Charter Schools Conference at the Hilton Myrtle Beach Resort. You will find a few reminders below as you prepare for your arrival on December 4th.

If you haven't already downloaded our Whova conference app, you can do so by scanning the QR code to the left.

After downloading, use your email address when signing up on the Whova mobile app or the web portal. Once you have signed up, you should be taken directly to your event!

If you aren't directly added to the event and are asked for an event invitation code, please type in this code: **cwwtmkeia8**

This year, we have added a feature for you to easily sort through the breakout sessions that apply to you based on one of the Learning Tracks or by your job role. Once you download the app, you can view ahead and begin planning your time at the conference by adding breakout sessions to your agenda.

Learning Tracks: Strategic Leadership, Climate Change, Culture, Instructional Strategies, Charter School Development & Operational Excellence

The welcome reception is always a sweet time of fun and fellowship before the learning begins. We hope you will plan to join us there for some live music, drinks and hors d'oeuvres as we kick off the conference!
